Safety Patrollers Learn Leadership

Our AMA School Safety Patrol program builds life-long leadership skills in students, while keeping communities safer. We provide online resources, training, and special events to celebrate their contribution.

"Our students, parents, and community members adore being a part of AMA School Safety Patrol."
— Teacher Year End Survey, June 2025

- CALM courses
- Summer school
- Experiential learning weeks
- Flex blocks
- CTS electives

"I can definitely tell, driving around with my friends, who took the course or not. It makes me a better driver to know all the rules."

— Grade 10 Student, Matthew Halton High School

"What's more important to teenagers than learning how to drive? And what's more important to society than having them do it safely?"

— Lynn Lievers (Parent)

HONOURING AMA SCHOOL PROGRAM LEADERS

We celebrate the educators, supervisors, and partners who make AMA school programs a success. Their dedication results in safer crosswalks, stronger communities, and better-prepared young drivers across Alberta.

- Patrol Supervisors who mentor student leaders
- Teachers spearheading school gardens and food security
- Innovators bringing Driver Education into classrooms
